

INTER-SCHOOL SPORTS

For the first time this year!

On Tuesday evening, 23 rugby players from Class 5 went to All Saints Rangemore Primary School to play in several matches. They have been developing their skills in PE lessons and they showed their amazing talents off during the games.

There was some fantastic rugby played, they have really enjoyed and are enthusiastic with what is a new sport for most. I am really proud that the children have been so engaged and how well they have performed, there are

not many primary schools that provide full contact rugby. Big thanks to Mr Tolley for the training sessions and afterschool club. Well done to you all, you should be so proud!

On Thursday evening, John of Rolleston visited and we had a boys and an all-girls team ready for our first game of football this year!

The children have waited a long time to play against another school this year and they did not disappoint.

I am again, really proud of the teamwork, resilience and determination of the children, along with their fantastic football skills. Well done to you all! Super stars!

Here's to Lots more school sport and competition on the horizon!

Miss Goodall
