Are you a cut above the rest?

Test your pumpkin carving skills by entering our spooky 'Halloween at the Hall' competition. Simply carve a design of your choice into your pumpkin at home, then leave on the grass next to Hoar Cross Hall's hotel reception, not forgetting to place your pumpkin pass inside your creation, which can be collected from reception. Remember, to be in for a chance to win, all pumpkins must be submitted before the **30th of October!**

Happy carving!
