

**In 2019 we organised a sponsored cycle challenge to raise money to transform the school library. We raised over £4000. With the hard work of many volunteers on our 'DIY SOS' day we painted and renovated. All the books are available to loan on our new electronic system but due to Covid we have not been able to showcase this wonderful resource.**

# Library Open Day

## Friday 29th April

**On 29th April we will be opening up for everyone to come and see! Come along to learn how to access the online system from home to help your child chose and reserve books, (they can also write book reviews!) and then have a tour of the library. We are running 2 sessions at 8:45am after drop off and 3:15pm after the end of the day. The children will be involved in activities during the day and will have a visit from author Billy Bob Buttons.**
