

Yoxall St Peter's Jubilee Celebrations

Week commencing Monday, 23rd May 2022

Next week in school we will be using the theme of Royal Celebrations and weaving this through our daily lessons. If possible could we ask the follow for homework, this is not compulsory.

Do any of your family members remember any other Royal Celebration?
Do they have any memorabilia from the Coronation or previous jubilees?
You could:

- Take part in some oral history—Interview your family member about what they can recall from their lifetime.
- Send in recordings, written accounts, or photographs.

Please remember to name any possessions so that they can be returned!

The children will be celebrating with a picnic and games on the school playing field. Could the children please bring to school a small picnic for one and if you have one a picnic blanket.
