### Cake and Book Sale 17th June 2022

When Mr Draper received the letter below he was more than pleased to give permission for this charity sale. We are very proud of the children in Class 4 and 5, they give their time to think about helping others. We have had some wonderful sales in the past few months and all for good causes. **Well Done to all**

Dear Mr Draper,

It has come to my attention that books and authors are not as getting much attention as they need and this is a problem. Reading is a big thing growing up as it helps not just our vocabulary but it enhances our knowledge of natural information. This is important to young brains for future growing up. When Billy Bob Buttons came into our school it inspired me and made me eager to start reading bigger books our world will become a better place. So from all this information of books me, Zach B Patrick B and Alex R would like to combine with William G George and Grace A Joshua M and Alex L host a book and bake sale. If this is alright with you we would like to host this important event on Friday 17th of June after school. The charity that we are raising for is very important to my heart and it means a lot to me as someone in my family sadly passed away from this disease. This is called Parkinsons.

It would mean the world to me to raise money for a charity very close to my heart and do it for a thing I love. There will be books for all years from 1-6 and books will be around the price of 50p to £2. I hope we are able to run our book and bake sale

Hope to hear from you back.

YOUR SINCERELY

ZACH B

### Well Done Grace A C4

*You are our school Book Mastermind*  
Grace will compete with children from other schools within the JTMAT at the final in July

## BIRTHDAY SHOUTOUTS!

### Recent Birthdays

|              |                 |               |
