Online Safety

We have been made aware that some of our young people may have access to Tik Tok sites that are exposing our children to language that is inappropriate for their age.

If you need more information about how to keep your children safe whilst online, please have a look at the resources and information which can be found on the NSPCC site Keeping children [Keeping children safe online | NSPCC](#)

If you need any support with this, please do not hesitate to ask. We recap online safety often with our children and would value your support with this.

*Best wishes
Mrs Kathy Dingle*
